

1

Search in Documentation (google or <https://developer.mozilla.org/en-US/>) and write in brief about these tags in the format given below

Tag names

<b> tag

<i> tag

<u> tag

<select> tag

<button> tag

<hr> tag

<br> tag

Required format:

```
<h1> b tag </h1>
<p>The b HTML element is used to draw the reader's attention to the element's
contents, which are not otherwise granted special importance. This was
formerly known as the Boldface element, and most browsers still draw the text
in boldface.
</p>

<!-- Write in the same format for remaining mentioned tags as well -->
```

2.

Write html code so that it look like the given image
